Nobody Knows Construction Cleaning Like Hotsy!

We've been Pressure Washer Specialists to the Construction Industry for over 35 years

- Because clean equipment lasts longer, Hotsy pressure washers pay for themselves in early detection of oil leaks and potential repairs. A Hotsy also keeps dust and dirt from choking the cooling system and overheating the engine
- Choose from over 80 models
- Hot water gas engine machines built to be easily bolted to trailers or truck beds
- LP and Natural gas stationary units for equipment rooms and wash bay applications
- Portable oil fired units for multiple locations
- Heavy angle iron frame and chassis; durable powder coat paint resists years of corrosion and rugged use
- Gas engine belt drive units will draw water 12-ft to themselves; easily adapted to water tanks, water trucks and ponds
- Designed and built to use with high-pressure detergent for heavy-duty, caked-on dirt, grease and grime
- Hot water cleans best and Hotsy is North America's #1 Name in High-Pressure Cleaning Systems

A wide variety of GPM and pressures available

Hotsy pumps carry a 7-year limited warranty. All Hotsy models are ETL-Certified to rigid UL-1776 safety standards

Nothing Cleans Like a Hotsy!

Heavy-Duty Pressure Washers for the Construction Industry!

Outstanding Local Service

Hotsy has more than 130 sales and servicing distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs. Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

This seasoned network of local service professionals will ensure you get the safest, most cost-effective and most efficient cleaning solution to your specific cleaning need.

Clean better with Hotsy detergents

Hotsy pressure washers clean best when matched with Hotsy detergents, specially formulated for high-pressure cleaning. More than 40 liquids and powders meet every cleaning need imaginable. Hotsy's exclusive advanced-formula HCC additives help prevent scale build-up and fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.
