Nobody Knows Winery Cleaning Like Hotsy!

We've been Pressure Washer Specialists to the Wine Industry for over 35 years

- Hotsy pressure washers pay for themselves in no time - hot water washers protect and sanitize your equipment
- Portable LP Gas-Fired models are easy to maneuver inside wineries
- Models can be modified with a steam valve and flow switch in order to achieve higher temperatures at low pressures
- Narrow machine widths for navigating through doorways
- Electronic ignition upgrade available
- Hotsy hot-water models easily achieve water temperatures to kill harmful bacteria and organisms
- Hot water cleans best and Hotsy is North America's #1 Name in High-Pressure Cleaning Systems. A wide variety of GPM and pressures available.

A wide variety of GPM and pressures available. Model 771 is a popular choice for wineries, shown below with Optional Portagear and Propane Tank

Hotsy pressure washers carry a 7-year warranty on the pump and a 5-year warranty on the heating coil. All Hotsy models are ETL-Certified to rigid UL-1776 safety standards.

Nothing Cleans Like a Hotsy!
